

AIRCRAFT OWNERS AND PILOTS ASSOCIATION

FOUNDATION

INVITES YOU

TO JOIN THE

AOPA FOUNDATION
PRESIDENT'S COUNCIL

Dear AOPA Members and Friends,

We have many reasons to be grateful to you — for your loyalty, generosity, and confidence in the future of general aviation. Your interest, engagement, and guidance are the keys that unlock our programs' success and help fuel the innovative progress their initiatives make.

Together, we will continue to be the nation's leading proponent for the general aviation community. The goals of our You Can Fly program aim to get, and keep, more pilots flying. The AOPA Air Safety Institute strives to reduce aviation accident rates by providing materials that help to keep everyone who flies safe. Your support and engagement are vital to realizing the ambitious goals of these programs.

I encourage you to join the AOPA Foundation President's Council today. Your participation will enable us to continue our mission of building a stronger, safer pilot community. I look forward to welcoming you into this important community.

Blue Skies,

Mark R. Baker

*President & Chief Executive Officer
AOPA Foundation*

COMMITMENT TO AVIATION

Members of the President's Council play a vital role in helping the AOPA Foundation continue its mission through their leadership-level gifts. Providing support for AOPA programs is essential to building a stronger, safer pilot community.

MAKE YOUR GIFT PERSONAL

When you make a leadership-level gift to the AOPA Foundation, you can restrict it to a program that is meaningful to you. Or you can choose not to designate your gift to a specific program and allow us to apply the funds where they will have the most meaningful impact.

AOPA High School Aviation STEM Symposium
