

AOPA
FOUNDATION

ANNUAL
REPORT

ABOUT THE AOPA FOUNDATION

As the philanthropic arm of the Aircraft Owners & Pilots Association, the AOPA Foundation raises funds for two vital programs—You Can Fly and the AOPA Air Safety Institute.

Generous donors like you fund these lifesaving, life-changing programs through charitable gifts above and beyond their AOPA membership. Together, we are building a stronger, safer pilot community.

MISSION OF THE AOPA FOUNDATION

The AOPA Foundation, Inc.—a tax-exempt charitable, educational, and scientific organization—will educate the general public on the value of general aviation. The AOPA Foundation works to improve aviation safety, preserve and improve community airports, and encourages learning to fly for career and personal benefit—all in the interest of ensuring the future of general aviation in America.

A MESSAGE

FROM MARK BAKER

The support from AOPA Foundation donors like you has a significant impact on general aviation, building a robust pilot community through the You Can Fly program and helping all pilots fly safely through the AOPA Air Safety Institute.

In 2022, general aviation had one of its most active years, and the AOPA Foundation rose to meet the demand for a stronger, safer pilot community. Thanks to the generosity of our donors, vital safety content was produced by the AOPA Air Safety Institute, and the You Can Fly program continued to create significant flying opportunities for pilots of all experience levels.

The AOPA Air Safety Institute is the largest provider of free aviation safety content in the world and guides the culture of aviation safety. In 2022, webinars, training videos, podcasts, and presentations created by the AOPA Air Safety Institute were utilized nearly 10 million times. Your contributions ensure these materials stay up to date, relevant, and free of charge for all pilots.

The You Can Fly program served thousands of high school students who discovered and are preparing for exciting aviation careers through our STEM curriculum which is taught in hundreds of classrooms across the country. The AOPA Flight Training Advantage app (AFTA), a web-portal and iPad-based training platform designed to help make the process of flight training more effective for the student, the CFI, and the flight school, has now been implemented by more than 1,800 flight schools, and adoption continues to increase.

Since the You Can Fly program began in 2014, it has launched 218 flying clubs which provide pilots with greater access to aircraft and community, while also helping more than 11,000 formerly rusty pilots return to active flying.

Thanks to you, these programs are making a meaningful and significant impact every single day. Your support directly influences our ability to keep these programs—and our aviation community—growing.

Together, we are building a stronger, safer pilot community for ourselves and future generations. Your dedication, and the dedication of all the contributors listed on these pages, is fueling the future of aviation. Thank you.

Mark R. Baker

*President & Chief Executive Officer
AOPA Foundation*

“

TOGETHER, WE ARE BUILDING A STRONGER, SAFER PILOT COMMUNITY FOR OURSELVES AND FUTURE GENERATIONS. YOUR DEDICATION, AND THE DEDICATION OF ALL THE CONTRIBUTORS LISTED ON THESE PAGES, IS FUELING THE FUTURE OF AVIATION. THANK YOU.

— **Mark R. Baker**

President & Chief Executive Officer
AOPA Foundation

A MESSAGE

FROM ELIZABETH TENNYSON

Your donations support pilots throughout their entire aviation journey. From the high school students involved in our curriculum who are just getting their first taste of the wonder and possibilities aviation can provide, to the many pilots who take advantage of the highest quality aviation safety content produced by the AOPA Air Safety Institute, to the rusty pilots who are eager to get back to active flying – your generosity makes it all possible. The You Can Fly program helps pilots at all stages experience the thrills of flying with four targeted initiatives. The AOPA Air Safety Institute provides research and educational resources that help active pilots fly more safely. Because these programs are not funded by AOPA membership dues, your contribution provides the critical financial support needed to accomplish our mission.

You have allowed the AOPA Air Safety Institute and You Can Fly program to have had a tremendous impact this past year, as you will see in the following pages.

Together, we are ensuring the future of general aviation remains bright.

A handwritten signature in black ink, appearing to read 'Elizabeth Tennyson'.

Elizabeth A. Tennyson

CHAIRS

AOPA FOUNDATION

Matt Desch

President's Council Chair

“As an AOPA member since 1976, I couldn’t be more proud of the important work AOPA does in representing general aviation. It is my honor to serve as the Chairman of the AOPA Foundation President’s Council to support key initiatives like the AOPA Air Safety Institute and You Can Fly program—funded by philanthropic contributions to the AOPA Foundation. Please join me in continuing this life-changing, lifesaving work by becoming a member of the AOPA Foundation President’s Council.”

Barry Schiff

Legacy Society Chair

“Like many other pilots, my entire life experience has benefited from my connection to aviation. While I’ve also managed to make a career in aviation, anyone who experiences general aviation knows that the discipline and perspective you have as a pilot enriches all areas of your life. And for that I am grateful and want to make sure that others have the same opportunities that I had. My legacy gift to the AOPA Foundation will help assure that happens.”

Michael Goulian

Hat in the Ring Society Chair

“Aviation has been both a vocation and avocation for me. There is no passion on Earth like ours for flying. We’re a tight-knit community and there are so many ways to give back to general aviation. I am happy to be part [of] one of those ways—an important one.”

AOPA AIR SAFETY INSTITUTE

MILESTONES AND ACHIEVEMENTS

For more than 70 years, the AOPA Air Safety Institute (ASI) has been leading the general aviation industry in creating and shaping new safety initiatives through engaging education, industry collaboration, research and analysis, and community outreach.

Overall, general aviation is growing across most segments and has bounced back stronger than pre-pandemic levels. General Aviation activity grew to some 26.2 million flight hours in 2022, close to a 10 percent increase over 2021 levels. In 2022, while general aviation saw a slight uptick in the fatal accident rate compared to 2021's record-setting low year, it remained one of our safest years on record, despite the increased activity.

With content accessed nearly 10 million times in 2022, ASI continued to expand its safety message and influence on general aviation safety based on five guiding principles—knowledge, training, proficiency, equipment, and safety culture.

DATA ANALYSIS

Insightful and accurate accident analysis and research allowed ASI to create educational materials, build relationships in the aviation community, and influence the safety culture of general aviation. As a result, ASI provides the most comprehensive and widely used analysis of GA accidents in the industry.

Continuous research and data analysis ensure ASI is concentrating on relevant and appropriate topics that help to address the current and future needs of general aviation safety.

2022 HALLMARKS

- Released the 32nd **Joseph T. Nall Report**.
- Continued to co-chair a government/industry task force aimed at addressing unintentional VFR flights into instrument meteorological conditions.
- **Took a leading role** on a working group under the General Aviation Joint Safety Committee to address the fifth deadliest cause of GA accidents: system component failure of non-powerplant items.
- Completed the second round of revisions to its report on causes and trends of seaplane accidents. The full report will be published in **Q1, 2023**.
- Continued its work with Liberty University on research and data analysis that will provide a **20-year lookback** with a detailed review of the current 10-years versus the previous 10-years of accidents. Final publication is expected in Q1, 2023.

DESIGN & DEVELOPMENT

The AOPA Air Safety Institute leverages modern platforms and technology to reach audiences worldwide. To promote safer flying and a stronger safety culture across general aviation, content was continually updated with data-driven, engaging, and insightful educational information.

2022 HALLMARKS

- **6.4 million views** on YouTube and recipient of YouTube’s Silver Creator Award for reaching 100,000 subscribers.
- Received six **EXCEL Awards** (3 bronze/3 gold), recognizing excellence and leadership in association media, publishing, marketing, and communication.
- Launched the **VFR into IMC: Avoidance and Escape** safety campaign to raise awareness of and reduce GA’s worst weather-related accident cause.
- Created a five-part **Companion Copilot** video series, which focuses on the enjoyable, positive aspects of being an active, informed, and educated front-seat, non-pilot passenger.
- Initiated the **Pilot Short Story** video series that are optimized for viewing on social media channels to help ASI broaden its reach to new audiences.
- Created a backcountry resource center web page—sponsored by Aviat Husky—that offers backcountry enthusiasts an array of safety material, videos, and guidance on safe backcountry flying and stewardship.
- Released twelve “**There I Was...**” podcast episodes, bringing the series download total up to 3.45 million since making its debut in 2017.
- Redesigned **CFI to CFI** and **USAIG’s Premium on Safety** quarterly newsletters, which were distributed to flight instructors and subscribers.

DELIVERY & OUTREACH

While ASI is successful in reaching general aviation audiences through modern media channels, we also aim to deliver webinars to a nationwide audience and engage with live audiences at aviation airshows, events, and fly-ins across the country.

2022 HALLMARKS

- Created a new speaking engagement request form to help meet the demands of in-person seminars and webinars across the country.
- Reached **13,000 attendees** through 26 webinars and 35 in-person seminars and keynote presentations
- More than **6,300 flight instructors** renewed their instructor certificates through ASI’s award-winning online flight instructor refresher course (eFIRC).

YOU CAN FLY

MILESTONES AND ACHIEVEMENTS

By supporting current and future pilots at key points in their journey, the You Can Fly program is building a more robust aviation community. With initiatives focused on introducing young people to opportunities in aviation, improving the flight training experience, getting lapsed pilots back in the air, and making flying more affordable and accessible, You Can Fly is making a meaningful difference for aviators of today and tomorrow.

HIGH SCHOOL

The High School initiative is designed to help students from schools and communities nationwide discover careers in aviation and aerospace.

High-quality aviation STEM curriculum prepares students for advanced studies and careers in the aviation field

You Can Fly has developed a complete four-year aviation STEM program—available to schools free of charge. The curriculum delivers everything teachers need, including detailed lesson plans, presentations, activities, projects, and assessments. The course allows students to pursue special interests in one of two tracks—pilot or unmanned aircraft systems (UAS).

In 2022, the initiative's second cohort of graduates completed high school and 58% said they intend to pursue an aviation career—most as pilots, maintenance technicians, and aerospace engineers. More than 75% of the graduating class said they intend to go on to post-secondary education.

2022 HALLMARKS

- **16,300 students** across **43 states** using the curriculum
- **400 schools** delivering the curriculum in more than 1,500 class sections
- **425 participants** in the AOPA Foundation High School Aviation STEM Symposium
- Nearly \$1.2 million in flight training and aviation scholarships awarded, thanks to the generosity of the Ray Foundation and other donors

FLIGHT TRAINING

Every pilot starts as a student, and a great flight training experience is the foundation for a lifelong love of flying. The Flight Training initiative was developed to help student pilots complete their training and help flight schools and instructors deliver the kind of experiences that today's pilots demand.

Research has shown that up to 80% of flight students drop out of training before they earn a pilot certificate. To reduce that figure, the Flight Training initiative offers a combination of technology, training, support, and recognition for flight schools and CFIs.

2022 HALLMARKS

- **1,831 flight schools, CFIs, and student pilots** logged nearly **7,000 training hours** in to the AOPA Flight Training Advantage adaptive training platform
- **8,400 pilots** evaluated their flight schools as part of the Flight Training Experience Survey
- **65 CFIs** and **32 flight schools** recognized for delivering exceptional service with Flight Training Experience Awards
- More than **29,000 viewers** participated in webinars designed to support pilots and flight schools

RUSTY PILOTS

Sometimes life gets in the way of flying—but once a pilot, always a pilot. When lapsed pilots are ready to return to flying, the Rusty Pilots initiative is there to make it easier. In-person seminars, webinars, and online courses help pilots refresh their knowledge and connect with flight schools and instructors to complete a flight review and get back in the air.

Since the program began in 2014, more than 11,000 aviators have returned to active flying with the help of Rusty Pilots. In all, the program has served more than 46,000 participants, including many active pilots who just wanted to sharpen their skills.

2022 HALLMARKS

- Flight reviews were completed by more than **1,200 program participants**
- Delivered **65 live and virtual seminars**
- 50% of lapsed pilots who participated in the online course reported completing a flight review
- More than **2,100 online course completions**

FLYING CLUBS

Greater access to aircraft at lower cost—plus a community of fellow pilots to share the fun and help keep people engaged and flying. That's just some of what flying clubs can deliver to their members.

The Flying Clubs initiative focuses on helping to launch new clubs and providing support for existing clubs to thrive. With extensive online resources, workshops, and even one-on-one assistance, it's never been easier to start a new club and share the advantages of aircraft ownership.

2022 HALLMARKS

- **21** new flying clubs launched, totaling 218 clubs since the program's inception
- **12** new episodes of Flying Club Radio produced
- **46** seminars and webinars delivered

SCHOLARSHIPS

2022

Among the AOPA Foundation-funded efforts to grow the pilot population, flight training scholarships provide important financial assistance to help aspiring pilots achieve their dreams of flight.

In 2022, 137 scholarships ranging from \$2,500 to \$14,000 each were awarded to individuals nationwide.

Thanks to the generosity of the Ray Foundation, \$1M in scholarship funds were awarded to high school students and teachers. Additional scholarship funds were provided by generous donors for primary flight training, advanced ratings, and maintenance.

"I want to start by saying thank you to Mr. Perot for funding the Hillwood-Alliance Flight Training Scholarship. Words can't convey how grateful and honored I am to have obtained this scholarship. It is a huge help, financially, in starting my career to become a Black female pilot. I am beyond blessed that you, Mr. Perot, are willing to donate money into a scholarship fund to provide aspiring pilots, like me, a path to build a career in the aviation industry. My dream of soaring in the sky has begun because of your kindness, generosity, and selflessness. Thank you for being the mentor who started me on the path to my career. I will always remember you as the kind soul that helped make my dreams come true. Thank you."

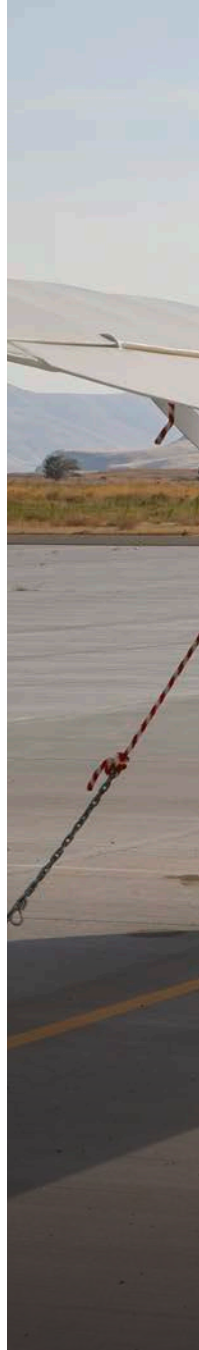

— Faith Warner

“

MY DREAM OF SOARING IN THE SKY HAS BEGUN BECAUSE OF YOUR KINDNESS,
GENEROSITY, AND SELFLESSNESS

— Faith Warner

2022 Hillwood-Alliance Flight Training Scholarship Recipient

2022 YOU CAN FLY CHALLENGE

A MATCHING GRANT FROM THE RAY FOUNDATION

For the seventh time in as many years, the AOPA Foundation was challenged by the Ray Foundation to raise funds in support of the AOPA Foundation's You Can Fly program. The Ray Foundation, established by the late pilot and philanthropist James C. Ray, agreed to provide a matching grant of up to \$2.5 million for donations made during the You Can Fly Challenge fundraising campaign in 2022.

Thanks to the generosity of more than 3,200 donors, the AOPA Foundation met and exceeded the Challenge goal. Donor contributions amounted to more than \$3.1 million, resulting in more than \$5.6 million in funding to get and keep more people flying! Many thanks to all who helped make the 2022 You Can Fly Challenge a success, and to the Ray Foundation for its philanthropic and visionary support of You Can Fly.

DONORS

AOPA FOUNDATION

AOPA FOUNDATION CORPORATE SUPPORTERS

AOPA Foundation corporate supporters provide significant, often multi-year commitments to ensure a brighter future for general aviation. By providing critical funding for programs such as the You Can Fly program and the AOPA Air Safety Institute, these partners help get and keep more pilots flying and create invaluable safety resources for pilots of all experience levels.

CHIEF PILOT (\$1 MILLION+)

FLIGHT CAPTAIN (\$500,000+)

FLIGHT ENGINEER (\$100K - \$249K)

NEW HORIZON SOCIETY

Donors at this level have made transformational contributions of \$1 million or more as a one-time gift or total lifetime giving. These exceptional supporters represent the highest level of commitment to the AOPA Foundation's mission.

ENDOWMENTS

Donors who have created an endowment are providing reliable, ongoing funding for programs supported by the AOPA Foundation.

Susan Alatary	Elliot Gindi	Susan Erika Lopez-Henriquez	Ignatius Sargent
William P. Anderson	Richard Gleason	Dale R. Machalleck	John J. Serrell
Raymond J. Bailey	Paul M. Guse	Manuel S. Maciel	David N. Shaffer
Michael Baldwin	Thomas W. Haas Foundation	Edward W. McNeil	Hal Shevers
Morton M. Bass	Hall-Halliburton Foundation Air Safety Endowment Fund	Steve Miller	Stephen Byron Smith
Ned W. Bennett and Sandra G. Zane	Penny and Bill Hamilton Aviation Endowment Fund	Minnesota Life	Lessing S. Stern
Mark Jon Bluth	Hager Stett Harrison	Jay D. Montfort	Daniel T. Taussig Memorial Endowment
John S. Broome	Scott and Barbara Heck	L. T. Mumford III	Marilyn E. Thompson
George Bumb Jr.	Neel and Scott Timmons Hipp	William V. Ott	David M. Timm
Paul F. Burger	Scott William Hudelson Memorial Endowment	William Penn Foundation	Jean K. Tinsley
Kevin Carr	Fitzgerald S. Hudson	R. Anderson Pew	Lou Torres
Hans L. Carstensen III	Dr. Stephen M. Kirkland	Erral Lea and Glenn Plymate Memorial Endowment	Michael Turner
Marshall Carter	Landsberg Endowment	Robert J. Pond	Joseph E. Usibelli
T. C. Colket Jr.	Michael Lazar Legacy Endowment	James C. Ray	Vanguard Charitable Endowment
Thomas H. Davis Jr.	Col. Paul Lilly, USAF, Ret.	Brian Rentfrow	Frank L. Varsolona
Carl F. Dyess	Samuel D. Long	Wiley R. Reynolds III	Ronald K. Vickrey
The Fred and Diane Fitts Memorial Flight Training Scholarship Fund by CAA		Timothy N. Rhyne Sr.	Jeffrey C. Weiss
Donald C. Forslund		James W. Robins	Colonel Jim Wesley Memorial Endowment
L.R. Fountain		William D. Roosevelt	Meryl K. Winans
John E. Gauch		Jeffrey and Julie Rubenstein	Dennis R. Wolter

SCHOLARSHIP DONORS

Thanks to the generosity of the following donors, scholarships are made available to help aspiring and current pilots achieve their flight training goals.

Susan Alatary and Susan Erika Lopez-Henriquez, The Bruce W. Alatary Memorial Flight Training Scholarship

P. C. Berolzheimer, The Coastal Barrier Island Foundation Berolzheimer Flight Training Scholarship

Boeing, The Boeing Professional Flight Training Scholarship

Corporate Aircraft Association, The Fred And Diane Fitts Memorial Flight Training Scholarship Fund

Paul M. Guse, The Edward B. Shafer Future Of Flight Scholarship Fund

The Richard R. and Gretchen E. Harper Fund, The Richard R. Harper Memorial Flight Training Scholarship

Hillwood Development Company, Hillwood-Alliance Flight Training and Aviation Maintenance Scholarships

Joshua E. Hochberg, The Carlsbad Jet Center and Sonoma Jet Center General Aviation Professional Scholarships

Senator James M. Inhofe FAA Knowledge Test Scholarship

David Kleine, The David & Florence Kleine Flight Training Scholarship

Landsberg Endowment Scholarship for Aviation Maintenance and Avionics

Erral Lea and Glenn Plymate Memorial Endowment

Lev Prichard, The Prichard Flight Training Scholarship

The Ray Foundation, The AOPA Foundation High School Student & Teacher Flight Training Scholarship

The Richard and Gina Santori Charitable Foundation, The Richard and Gina Santori Memorial Flight Training Scholarship

Ceci Stratford, The Ceci Stratford Flight Training Scholarship

Scott Stuart, Lincoln Community Foundation, The Scott Stuart Flight Training Scholarship

The Daniel T. Taussig Memorial Flight Training Scholarship Endowment

GIVE WINGS

Donors who contribute their aircraft to the AOPA Foundation take pride in knowing their gift supports a variety of programs to create a stronger, safer pilot community.

Dr. Amos H. Heckendorf

FRIENDS OF GENERAL AVIATION: DONATIONS OF \$500 TO \$999

Donors at this level support the AOPA Foundation with an annual contribution of \$500 to \$999.

Aero Club of Metro Atlanta	Kenneth W. DeFontes, Jr.	Dana Herreid	Jeffrey C. and Cynthia M. Littman Fund

AOPA FOUNDATION

The AOPA Foundation, a 501(c)(3) charitable organization, is the philanthropic arm of AOPA. Donor contributions fund programs that membership dues don't cover, including the AOPA Air Safety Institute and You Can Fly program. The goal of the AOPA Foundation is to fund opportunities of growth beyond what AOPA membership dues can accomplish, for the entire general aviation community.
